

# Giovanni De Vivo

Jr. Full Stack Web Developer

## Experiences

**Junior Full Stack Web Developer Trainee,**  
dal 1/23 al 7/23

During this six months long experience I have learned the latest and most innovative coding languages intended for a full-stack development environment. I have successfully reproduced numerous layouts in all of their functionality and together in a team of 5, during the course of a month, I have reproduced a fully functional property booking website

**Front Office Agent,**  
dal 7/21 al 11/22  
Hotel Merici, Sittard, Netherlands  
Hotel Vespucci, Porto Cesareo, Italy

**Trainee,**  
dal 5/21 al 6/21  
Port Authority for the Southern Adriatic Sea, Bari, Italy -

During this experience I have learned how to manage data entry about ships and their cargo and how to properly manage european funds
